

HARTZELL CONE SOCKET SCALERS AND CURETTES

Q1 PROMOTION

Save Costs

Avoid having to purchase an entirely new instrument. Replace one tip at a time when needed with Hartzell cone socket instruments.

Environmentally Friendly

Disposing of the tips instead of the full instrument allows your dental office to reduce waste compared to using conventional instruments.

Mix & Match Tips

Customize your Hartzell handle with your preferred instrument tips: signature stainless steel or sharpen-free titanium nitride (TiN) infused tips.
