HyperFIL⁺

**Buy 2 NEW HyperFIL⁺ 2.5ml Kits,
Get 1 HyperFIL⁺ A2/B2 (S235) 2.5ml
Kit Free*** (Mix-and-match)

New HyperFIL⁺ is a next-generation dual-cure bulk-fill composite that features zirconia nanofillers for improved mechanical strength, optimum esthetics, shade-matching, and polishability. It surpasses both traditional light-cure-only materials as well as other dual-cure options by combining the best of both worlds.
