The right tools for proper orthodontic care... anywhere!

GUM® ORTHODONTIC TOOTHBRUSH (124)

This "V" trim brush facilitates cleaning around orthodontic appliances such as brackets, arch wires, buttons, and ligatures.

GUM® ORTHODONTIC TRAVEL TOOTHBRUSH (125)

This portable toothbrush features a unique folding design where the brush head neatly tucks into the handle for compact storage and easy portability. Features "V" trim antibacterial¹ bristles.

GUM® END-TUFT TOOTHBRUSH (308)

Small brush head addresses special maintenance concerns including orthodontic bands and other hard-to-clean areas.

GUM® EASYTHREAD® FLOSS (3200-Patient Samples)

Designed to make flossing around brackets and other orthodontic appliances easier. Stiff threader sections provide easy access to hard-to-clean spaces without irritating gums. "Puffy" floss is designed for enhanced plaque removal.

GUM® EEZ-THRU® FLOSS THREADERS (840)

Versatile nylon loop helps orthodontic patients thread floss through spaces where most other products cannot reach, around orthodontic appliances and lingual wires.

GUM® ORTHODONTIC WAX (724-Mint) (723-Unflavored)

Clear wax adheres to orthodontic appliances to help relieve irritated tissue. Wax comes in a portable container, unflavored or mint.
